LINN HIGHWAY

This is the second year in a row that the Town will resurface over 3 miles of road! The following roads/subdivisions are scheduled to be resurfaced by June 1st: Maple Ridge from South Lakeshore Dr. to Southland Rd.; Southland Rd.; Wildwood Dr.; Maple Ct.; Sunnyside & Center; Lincoln Ave.; Meadow Ct. and Langolier Pl.; Elgin Club

In addition to resurfacing, the Town will provide maintenance work (crack filling, flex and infrared patching, chip seal work and a pavement rejuvenation chemical) to the following roads/subdivisions:

Shadow Lane; Maple Ridge from Hwy B to Linton Rd.; Linton Rd.; Valleyview and Oakwood Drive; The Highlands Subdivision; Knollwood and North Lakeshore Dr.

We regret any inconveniences this work may cause but ask for everyone's patience around the work crews.

Earlier this year, the Town passed a road bond policy. The policy is primarily applicable to new building construction on Town roads. Please check the Town website and/or call the Building Inspector or Highway Superintendent with any questions.

If you would like to report any issues (dead tree, pothole, sign down) then **you may contact us through the Town website, or by emailing linnhighway@townoflinn.com or calling 262.275.6300 ext. 18.**
