

Town of Linn

Winter Parking Ordinance Acknowledgment Form

Dear Building Contractor:

In anticipation of building construction during the winter season, this form is a reminder to review and follow the Town's winter parking ordinance. To clear and maintain roadways during winter weather events, it is imperative that no vehicles are parking along Town streets. As the building contractor, the Town expects you to share this information with all your employees and subcontractors who are expected at the job site.

Here is the Town ordinance:

§ 9-5(D)(4)(a) Parking regulations - No parking for snow removal.

For the purpose of removing snow and/or ice from public roadways within the Town, the Town prohibits parking on any public street during or after a winter weather event, which includes snow, freezing rain, and/or sleet, until after the snow and/or ice has been removed or plowed to the edge of the pavement from November 15 to April 1. The Police Department may tow away all vehicles parked in violation of this subsection. Any person who violates this subsection may be subject to a forfeiture plus the costs of towing and storing the vehicle.

Signature below

I acknowledge that I have read Town of Linn Ordinance § 9-5(D)(4)(a), No parking for snow removal, and I am responsible for ensuring all my employees, subcontractors, and any agent on my behalf is in compliance with this ordinance.
